MEMORANDUM FOR: Director of Central Intelligence

VIA : Director, National Foreign Assessment Center *[Signature]*

FROM : Coordinator for Academic Relations and External
Analytical Support

SUBJECT : DCI Discussion/Dinner on Strategic Warning

1. Action requested: To set a date for the next DCI Discussion/
Dinner.

25X1 2. The subject of Strategic Warning is the next on my DCI dinner
list. Professor Klaus Knorr of Princeton, our outside authority on this
subject, was here on Friday, 4 November, for discussions with Mr. Bowie,
[redacted] and myself. Knorr and [redacted] will remain in communication on
the subject. My reading is that the two of them can point up for us a
stimulating discussion on this difficult subject. We do need to have a
date set, however.

25X1 3. The first question is whether you wish to schedule the dinner
before the first of the year. Assuming an interval of approximately six
weeks between the dinners, the date for the next one should be around the
middle of December. Knorr's teaching schedule allows him to participate on
any of the following dates: December 12, 14, 15, 21, and 23. The week before
Christmas might prove difficult for some of our people with holiday leave plans.
On the other hand, if we postpone until after Christmas it will have to be after
mid-January as Knorr [redacted]

25X1 4. Recommendations:

a. That one of the following dates be chosen for the dinner.

Monday, December 12 (*next day is Pres Brief*) *[Signature]*
Wednesday, December 14
Thursday, December 15 [redacted]

SUBJECT: DCI Discussion/Dinner on Strategic Warning

- b. That the format for the dinner be as planned for the second dinner on Wednesday, 2 November (i.e. assemble 5:30-6:00; first session, 6:00-7:00; dinner, 7:00-7:30; second session, 7:30-9:00).
